Walker AMBUCS has the answer!!

What are

AMBUCS, or American Business Club is a national service organization dedicated to creating independence and opportunities for people with disabilities. AMBUCS meetings, community service projects and special events bring together a wide variety of people to promote common causes.

Our two national service projects are AmTrykes and AMBUCS Scholars.

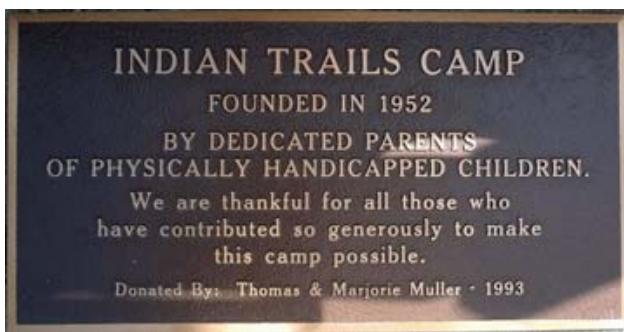

The AmTryke program is designed to give children with disabilities their first set of wheels. We make AmTrykes available to kids that may have special challenges operating a regular tricycle. This unique therapeutic tricycle is hand and /or foot driven. It improves motor coordination, increases self-esteem, and is fun to ride!

Children receive AmTrykes at the Swing for Kids Golf Outing.

Since the Walker club was formed, its members have been very involved with Indian Trails Camp, a camp for physically challenged children and adults. The camp is located in the Walker area, off Lake Michigan Drive next to Aman Park. We have donated over \$220,000 to the camp and have helped with a multitude of camp projects.

The AMBUCS Scholars program provides scholarships for students, and represents the largest single private source of educational grants for therapists in America. AMBUCS has provided over 5 million dollars to educate physical and occupational therapists, speech pathologists, and hearing audiologists.

The Walker AMBUCS have also “adopted” Wilson Avenue, between Remembrance Road and Lake Michigan Drive, through the Michigan Dept of Transportation’s “Adopt-a-highway” program.

The Walker AMBUCS Chapter was established in 1981 – and is presently a group of over 35 local business-men and women dedicated to serving the Walker and West Grand Rapids areas.

Why don't you consider becoming an AMBUC?
