AMBUCS™, or American Business Clubs is a national service organization dedicated to creating independence and opportunities for people with disabilities.

The AmTryke® is a specially designed tricycle that benefits children with low muscle tone (e.g. spina bifida, cerebral palsy) and helps build up normal muscle tone and control. The benefits of the AmTryke® include increased coordination, improved muscle strength, improved balance and increased self esteem. For more information on the AmTryke® visit www.ambucs.com. Your support of this event will allow our chapters to provide AmTrykes® to children in the West Michigan area.

INDIAN TRAILS CAMP

Indian Trails Camp is a camp designed to enhance the lives of disabled people. Campers receive the opportunity to spend a week at camp just like everyone else. The camp has physical therapists assigned to each cabin so that each camper is well supervised. The camp has an aquatic center, a lake and many other “normal” activities for the campers to enjoy. As with everything the camp has many expenses. This year the Walker Chapter of AMBUCS™ has a goal to donate \$25,000 to the camp. Your support of this event will help us meet that goal.
